**New Items for Discussion:**

11-10 CWRO – Swim Team Requests – Long discussion ensued on this topic with ending results being that being a coach does not require living within the city or school district limit. To be able to purchase a membership (which swim team members have to have) you have to live within the city or school district limits of Canal Winchester. The committee decided no on the formation of a dive team is, due to cost that would be incurred.

11-11 Athletic Field/Park Reservations Policy – Ms. Mershon said there have been complaints about organizations outside the CWRO using our fields and not having to pay any fees. Committee decided to send an invite for the February meeting to Jennifer Nack (President of CWRO) to discuss this further.

**Fairfield County Sheriff's Report:**

Sargent Kern (not in attendance) Ms. Osborn gave his report from the staff meeting on Tuesday (December 6<sup>th</sup>) that there was a big drug bust on Winchester Pike this week. And that accident numbers were down by half than what they normally were.
